Rector
Baku State University
Babayev E.S.

Dear Elchin Safarli ogly!

The Independent Agency for Quality Assurance in Education (IQAA) informs that according to the meeting of the Accreditation Council held on March 27, 2021, there was a decision made in relation to the university headed by you: Accredited following educational program of master's degree of Baku State University for a period of 5 years: Oil chemistry; Chemistry of high molecular weight compounds; Organic chemistry; Inorganic chemistry; Analytical chemistry; Physical chemistry.

The Agency congratulates you on your successful international program accreditation and wishes the further effective work and new achievements.

In accordance with the main provisions of Standards and criteria of program accreditation (subsequent procedures), the IQAA has been conducting post-accreditation monitoring of the educational organization for 5 years. The University annually submits to the IQAA a report on the achievements and changes in educational programs that have occurred during the year, in maintaining the quality of education and upbringing on the basis of an agreement on post-accreditation monitoring. The report of implementation of recommendations within the framework of post-accreditation monitoring must be submitted to the IQAA by March 25, 2022.

The Appendix provides remarks and the area of improvement on the activities of the educational programs (2 pages).

Thank you for cooperation.

Sholpan Kalanova
President of Independent Agency for Quality
Assurance in Education (IQAA), Professor, Dr.Sc.
